

About Us!

For the Love of a Veteran is a York County-based non-profit that sends care packages to deployed troops every month and fills backpacks with supplies for homeless veterans. We want our veterans and service members to know how much we appreciate them and that they are not forgotten. We believe that even one box or one backpack can make the difference in a veteran's or service member's life.

Our Mission is to help those who selflessly protect us every day. We are here to give aid and raise funds for Military families in need and homeless veterans. We also aim to raise awareness and help in the fight against PTSD (Post Traumatic Stress Disorder) now known as PTS.

Here are just two of the many thank-you letters we have received over the years:

"Just received another awesome set of care packages from For the Love of a Veteran, Inc. This organization is absolutely amazing. The different stuff they send boosts morale through the roof and always tends to be perfect timing. Our Sailors love receiving the cards with the children saying thank you. Here's a huge thank you back."

"The smiles on these young soldiers faces isn't just from working with me, it's from the packages we get every month from For the Love of a Veteran, Inc. From myself and the 2-3 CR BDOC Crew, thank you for your support. May God bless you, our troops and America."

Please help us cause awareness and reach out to those who sacrifice so much for us!
