

About Us!

For the Love of a Veteran is a York County based non-profit that sends care packages to deployed troops every month, fills backpacks for homeless and at-risk veterans for the yearly stand down and provide veterans with access to a life changing/lifesaving medical procedure known as Stellate Ganglion Block (SGB). This is an amazing tool for those suffering with PTSD. We have changed the lives of about 200 veterans so far with the support of the community. Our Mission is to create awareness about PTSD and how we can help with that. Here are a few comments from those that received the treatment:

“Since receiving the SGB treatment, I have been able to think so much clearer. My mind is not running a mile a minute anymore.”

“Thanks to this treatment, I have seen relief from night terrors (allowing solid sleep), flashbacks (decreased anxiety) and no suicidal ideations. I feel like I have been rebooted!”

Here are just two of the many thank you letters we have received from some of our deployed troops:

“Just received another awesome set of care packages from For the Love of a Veteran, Inc. This organization is absolutely amazing. The different stuff they send boosts morale through the roof and always tends to be perfect timing. Our Sailors love receiving the cards with the children saying thank you. Here’s a huge thank you back.”

“The smiles on these young soldier’s faces isn’t just from working with me, it’s from the packages we get every month from For the Love of a Veteran, Inc. From myself and the 2-3 CR BDOC Crew, thank you for your support. May God bless you, our troops and America.

Please help us raise awareness and reach out to those who sacrifice so much for us!
Please visit our website at www.fortheloveofaveteran.org for ways you can help.
We have some very dedicated volunteers! They all have a vested interest.....they all love a veteran or have someone serving.
