Welcome, Sponsors & Golfers:

Easterseals Western and Central Pennsylvania provides programs and services across 47 counties, serving thousands of individuals with disabilities and their families. In the York area, we change the way the world defines and views disability by making profound, positive differences in people's lives every day, offering recreation and residential camps for adults with intellectual and developmental disabilities, plus military kids residential camps.

In 2023, we offered twenty-one community recreation opportunities, four adventure sports activities and twenty camps for individuals with disabilities and children of military families. Serving individuals aged five through seventy, our staff continues to provide fun activities and programs for participants to make friends and enjoy amazing experiences. Additionally, our interpreting services supported 126 Deaf or hard of hearing individuals at meetings, appointments, and special events.

An Example of Our Impact: "Maggie has participated in Easterseals Bowling for over five years and has loved every minute of it. It provides her with a place to be with her peers in a fun environment with no pressure. No one is hurrying her along because she tends to mosey rather than walk. No one takes her turn because they want to increase the overall team score...She loves to talk with the staff (AKA helpers) about their pets and her school. This program gives her a chance to have an after-school activity like her siblings. We're so thankful that she has another place to belong."
- Jen, Parent

Thank you for supporting our event. We trust you will have a great day and learn more about Easterseals.

Sincerely,

Colleen Felentzer
Communications & Event Specialist

Easterseals Western and Central Pennsylvania is leading the way to 100% equity, inclusion, and access for people with disabilities, families and communities.
